

# BAGNI MISTERIOSI BATHING ESTABLISHMENT REGULATION CODE 2022

**The Regulation posted inside the sports facility, governs its use. It is considered to be read and unconditionally accepted in all its parts by all users in possession of an entrance ticket.**

The entrance ticket is a non-transferable receipt and it expires upon leaving the site. Users must show their ticket to the staff members at the entrance and/or whenever required. If you cannot provide evidence of your ticket, you will have to pay for another one. You are not allowed to go out and re-enter the site with the same ticket. Season tickets and/or carnets are multiple, personal, non-transferable admission tickets, under penalty of revocation of their validity. Upon request by the staff, you must provide evidence of your subscription and leave it at the main reception. During opening hours, minors under the age of 16 may enter the swimming pool only if they are accompanied by a parent or an adult over 18, responsible for them. They can be asked their Identity Card.

**The Management, in its sole discretion, for circumstances of force majeure and in case of bad weather, reserves the right to:**

- Close the ticket office and deny entrance to the pool to any individual.
- Close the site in exceptional circumstances. All users might be required to leave the site, if necessary.
- Proceed in exceptional circumstances to close the pool, even temporarily, or temporarily or partially suspend bathing.
- In these cases, tickets cannot be refunded.

**The Management employs security Staff for the sports facility and therefore reserves the right to deny access or expel:**

- People disturbing public order and morals with an inappropriate behaviour such as shouting, dangerous games, or any other behaviour causing damage to the good performance of the activities.
- People not complying with current regulations to counter and contain the spread of the Covid-19 virus.
- People affected by contagious illnesses, lesions or open wounds. The Management is authorised to ask for the medical certificate attesting the fitness to enter the swimming pool.

*Tickets cannot be refunded to those who have been asked to leave the site for the reasons above mentioned.*

**Staff is not in charge of:**

- Valuables, money or any other belongings which might be found in the lockers and changing rooms, even if locked.
- Supervising nor collecting or keeping any valuables or equipment.
- Any damage to personal belongings such as, by way of example, bathing suits, swimming trunks, sunglasses, beach robe, slippers, etc.
- In case of bad weather, tickets cannot be refunded nor rescheduled for a later date.
- In case of not opening, only tickets sold online will be refunded.

**Changing rooms:**

Pool users are required to change in the changing rooms, for the time strictly needed, and make sure not to leave any belongings unattended. Personal belongings are to be put in the lockers subject to availability. The lockers are provided with a lock, therefore the use of padlocks is recommended. When cleaning out the locker, individuals are required to make sure it is completely empty. After closing time, the Staff is authorised to check all lockers for any neglected belongings.

**Baby pool:**
